

GENERAL INFORMATION

Place and date

The 2002 IEEE International Symposium on Information Theory (ISIT 2002) will be held at the Palais de Beaulieu in Lausanne, Switzerland, from June 30th till July 05th, 2002

Plenary talks

The 2002 Shannon Lecture will be given by :

Prof. Toby Berger, Cornell University

In addition, five distinguished speakers will give plenary presentations :

Prof Michal Berry, Bristol University

Prof Stephen Boyd, Stanford University

Prof Shafi Goldwasser, Weizmann Institute of Science and MIT

Prof Sergio Verdú, Princeton University

Technical Program

As usual, the technical program will cover interesting and important recent advances across all subfields of Information Theory. For ISIT 2002, all technical talks will be limited to 20 minutes.

Language

The official conference language is English. All presentations will be in English, and no translation service will be available.

Personal Invitation

If you require a personal invitation to attend the conference, please contact the Conference Secretariat (e-mail address: isit02chair@epfl.ch)

Travel Grants

A limited number of travel grants were available and applications should have been received by January 31, 2002.
